

Candidate ID:

CANDIDATE 12-1024 (Senior Director, Global Quality)

Job Title: Senior Director, Global Quality (with a Focus on Sustainability)

Located in the *Chicago, IL area*, open to hybrid or open to remote opportunities.

This candidate is a change agent, and has over a decade of experience in food safety and quality assurance, with a primary focus on sustainability, HACCP, FDA, and operational management, and is looking for new opportunities in sustainability, quality & operations leadership.

Accomplishments:

- Led a 305-member Global Quality team with a strong emphasis on sustainability, supporting various business units.
- Achieved a historic low in Product Recall Incidents through the implementation of "First Pass Prime" quality indicator, contributing to sustainability efforts.
- Developed and implemented a global Supplier Quality Assurance program that not only improved quality but also resulted in over \$475,000 in savings along the supply chain.
- Spearheaded the development of a Global Agriculture Supplier Audit Program, with a sustainability focus on reducing risks associated with direct purchases from growers.
- Led the reorganization of the quality function with a sustainable approach, achieving improved product quality and better alignment with overall business sustainability goals.

This candidate is actively on the market and open to new opportunities.
