

Candidate ID:

CANDIDATE #8-0512 (Director/VP of Logistics)

Candidate: Director/VP of Logistics

Located in Pittsburgh, PA, no relo, open to commute/travel/remote

Proven ability to leverage experiences in the fields of global transportation and logistics, new facility start-up, fleet management, and distribution center operations including cold chain supply chain operations. Strong leadership through effective communication, relationship building, and a collaborative team approach to continuously improve processes and produce positive long-term results. Skilled in tactical and strategic aspects of business to drive results through a persistent and optimistic “team first” approach to leadership and problem solving.

Top Accomplishments:

- Introduced a 3PL managed LTL/TL transportation solution to compliment current workflows and leverage market spend to reduce overall annual costs by projected ~\$825k.
- Managed the vetting, selection, and start-up of a new transportation loading provider in GA that improved service levels while reducing costs by ~\$334k annually.
- Managed teams across multiple locations, managed ambient and refrigerated facilities of up to 1.5M sq. ft., all modes of global transportation networks, and logistics budgets in excess of \$175M.

This candidate is actively on the market and open to new opportunities.
